

Whiskey & Water

Uncle Kracker

You put some whiskey in the water
I'm gonna run off with your daughter
And if I make it to the border
I'm gonna be alright You put some whiskey in the water
I'm gonna run off with your daughter
And if I make it to the border
I'm gonna be alright I'm on the run, the Devil's tryin' to get me
Says I met him at a pawn shop down in Mississippi
I was an angel lookin' for another face
I must a bumped my fuckin' head when I fell from grace I found a place in the sun like Stevie
And now I gotta wonder 'cause the rain don't believe me
I need to breathe, take the money and run
I put my faith in one place and now I'm fuckin' done You put some whiskey in the water
I'm gonna run off with your daughter
And if I make it to the border
I'm gonna be alright You put some whiskey in the water
I'm gonna run off with your daughter
And if I make it to the border
I'm gonna be alright I could a been a saint, but I choose the wrong path
I ain't no dummy, take the money and laugh, uh
I got the cash, did the dash for the door
Now I'm sittin' on my stash and I'm feelin' like a whore I'm torn, but can't think, I blink so I miss
I move in strange ways, I move to dismiss
I'll leave this place and when I do that's it
I don't need to conclude so you can keep that shit You put some whiskey in the water
I'm gonna run off with your daughter
And if I make it to the border
I'm gonna be alright You put some whiskey in the water
I'm gonna run off with your daughter
And if I make it to the border
I'm gonna be alright Uh, I'm headin' south on Old Whiskey Road
Livin' life like a story that doesn't need to be told
It's gettin' old, always runnin' from the past
I'm lookin' at myself in the bottom of a glass I won't last, my light's too dim, uh
I seen the future and it's lookin' pretty grim, uh
I'm gonna win, but not like that
So I'm takin' what I got and I ain't never comin' back You put some whiskey in the water
I'm gonna run off with your daughter
And if I make it to the border

I'm gonna be alright You put some whiskey in the water
I'm gonna run off with your daughter
And if I make it to the border
I'm gonna be alright You put some whiskey in the water
I'm gonna run off with your daughter
And if I make it to the border
I'm gonna be alright You put some whiskey in the water
I'm gonna run off with your daughter
And if I make it to the border
I'm gonna be alright
