# Pedestal

## Spiridion

How can I believe this miracle
Where the wind blows dry
Through the force of a man
Undenied by his eye
Oh, you abandoned me, how I suffer
Ridicule breathes a sigh
You abandoned me, lost forever
Hush, can you hear
Enter and rejoice this pedestal
Where the rainbows hide

Your destiny
Mystery of all time
Oh no time make or reason
Ridicule breathes a sigh
No time make or reason
Hush, hear him cry
No time make or reason
No time make or reason
No time make or reason
