## Bogenschutzer

You don't seem to understand the deal  
I don't give two shits on how you feel  
    You're burned by my lighter  
    You've been burned by my lighter  
And my lighter is held down by my thumbLiving in thought so  
    Living in thought so  
    You're living in thought soYou tried to turn me off  
    But you couldn't even turn me down  
As I said, then I told you were living in hellYou're on desert ground  
    And now you've found  
    Mouth open and kneelin'  
Your sister caught in this wellYou're living in thought so  
    You're living in thought so  
    You're living in thought so
