Nowhere

Therapy?

Heaven kicked you out
You wouldn't wear a tie
Staring at some pictures by yourself
At something that you want to have but will never getGoing nowhere
Going nowhere
Going nowhere
Going nowhereYou get drunk every night
You can't get drunk on life
Shouting at the world you'll never change
But it's what's inside you've got to rearrangeGoing nowhere
Going nowhere
Going nowhere
Going nowhereHeaven kicked you out
Heaven kicked you out
Breaking up for what you never have
Losing everything, all things you ever hadGoing nowhere
Going nowhere
Going nowhere
Going nowhereGoing nowhere
Going nowhere
Going nowhere
Going nowhere
