If you know, you know I like that out of town girl, girl, girl, yeah, yeah, yeah, oh
Get your hands up if you out of town girl, girl, girl, yeah, yeah, yeah, ohHey baby girl, I like your accent-cent

I think I like you more because your different-ferent-ferent-ferent
Oh, I ain't gotta ask I can tell you ain't from here, here, here, here
Oh, what I gotta do just to show you that I want you near, near, near, near, near, yeahAll you gotta do is read the
signs
The exit is to the right, I don't know your name
But I love your smile, I love the way you put it down, down, downIf you know, you know I like that out of town

Get your hands up if you out of town girl, girl, girl, yeah, yeah, yeah, ohYou know I gotta hold it down for my
