

# Christmas Could Have Been Good

## Mando Diao

You're feeling down  
And there's no one around who can see  
Why you keep your head up high  
Little sister's running around with candy And you don't  
Wanna suffer your pride so you shut up  
While your mommy's crying loud  
Daddy's decorating the wall  
And the christmas trees it's the worst of days  
so you lay down in your bed  
And oh, Christmas could have been good  
Oh, Christmas could have been good  
It's a shame what you have with your family affair but still  
Christmas could have been good  
Oh, Christmas could have been good  
Was a dream that you had but a dream that has passed away Your house was made  
Of blood and tears you wanna pray  
From the opera  
But you got no money to escape  
from tragedy Bad luck girl  
Your daddy's here again he's got his anger  
and way too drunk to speak  
So he can't understand your misery at all It's the worst of days  
And we hope that he fades away  
But oh, Christmas could have been good  
Oh, Christmas could have been good  
It's a shame that we have with a family affairs but still Christmas could have been good  
Oh, Christmas could have been good  
And the dream that we had was a dream but the worst of days  
It couldn't be good!
