

# Craver

## Lower

Brighten our vision  
Burn holes in the clouds  
Hanging like dirt  
Rake up the old pathsIgnited by boredom  
A thirsty flame  
In hermetic landscapes  
A craving for oxygenClung to a candlewick  
Clung to a candlewickClung to a candlewickA light is lit  
A light is lit  
But won't shine forever  
A light is lit  
A light is lit  
The wax will collapse  
A light is lit  
A light is lit  
By a greedy flame  
A light is lit  
A light is lit  
Soon  
It will be dark againClung to a candlewickClung to a candlewick  
Clung to a candlewickClung to a candlewickClung to a candlewickClung to a candlewick
