

Everywhere I Go (Live Version)

Lissie

And I'll fall on my knees
Tell me how's the way to be
Tell me how's the way to go
Tell me all that I should know
And I'll fall on my knees
Tell me how's the way to go
Tell me how's the way to be
To evoke some empathy
Danger will follow me
Everywhere I go
Angels will call on me
And take me to my home
Well this tired mind just wants to be led home
And I'll fall on my knees
Tell me how's the way to go
Tell me how's the way to see
Show me all that I could be
And I'll fall on my knees
Tell me how's the way to be
Tell me how's the way to go
Tell me why I feel so low
Danger will follow me
Everywhere I go
Angels will call on me
And take me to my home
Well these tired eyes just want to remain closed
I don't see clearly
Can't feel nothing, no
Can you hear me
And I'll fall on my knees
And danger will follow me now everywhere I go
Angels will call on me and take me to my home
And danger will follow me now everywhere I go
Angels will call on me and take me to my home
And danger will follow me now everywhere I go
Angels will call on me and take me to my home
