

# Your Eyes Open (Live At Quilmes Rock)

[Keane](#)

Well it's a lonely road that you have chosen,  
Morning comes and you don't want to know me anymore,  
And it's a long time since your heart was frozen,  
Morning comes and you don't want to know me anymore For a moment your eyes open and you know,  
All the things I ever wanted you to know,  
I don't know you and I don't want to,  
Till the moment your eyes open and you know That it's a lonely place that you have run to,  
Morning comes and you don't want to know me anymore,  
And it's a lonely end that you will come to,  
Morning comes and you don't want to know me anymore For a moment your eyes open and you know,  
All the things I ever wanted you to know,  
I don't know you and I don't want to,  
Till the moment your eyes open and you know
