

Rhinestone Eyes

[Gorillaz](#)

I'm a scary gargoyle on a tower
That you made with plastic power
Your rhinestone eyes are like factories far away
When the paralytic dreams that we all seem to keep
Drive on engines till they weep
With future pixels in factories far away
So call the mainland from the beach
Your heart is now washed up in bleach
The waves are rising for this time of year
And nobody knows what to do with the heat
Under sunshine pylons we'll meet
While rain is falling like rhinestones from the sky
I got a feeling now my heart is frozen
All the phoses and grows in
Have been after native in my soul
I prayed on the unmovable
Yeah, clinging to the Adam's of rock
Seasons seas, just smooth signs of change
I can't see now, she said taxi
I that light is so I can take
This storm bring strange loyalties and skies
I'm a scary gargoyle on a tower
That you made with plastic power
Your rhinestone eyes are like factories far away
Here we go again
That's electric
That's electric
Helicopters fly over the beach
Same time every day, same routine
A clear target in the summer when skies are blue
Its part of the noise when winter comes
It reverberates in my lungs
Natures corrupted in factories far away
Here we go again
That's electric
Your love's like rhinestones falling from the sky
That's electric
With future pixels in factories far away
Here we go again
That's electric
Your love's like rhinestones falling from the sky
That's electric
With future pixels in factories far away
Here we go again
