

So Strong (feat. Shaggy)

Stephen Marley

yeah Steve Marley
Yeah my Love oooh

(Stephen Marley)
Yeah my Love (yeah my Love)
and if I don't tell you
as much as I want to
girl my Love for you is so strong
So come get some love
I've got so much for you
girl my Love could do you no wrong
Am not afraid to show you
just how much I love you
girl my Love for you is so strong
take the weight of your shoulders
just come on over
girl my Love could do you no wrong
struggle strong struggle strong
girl my Love for you is so strong
(Shaggy)

even if am eagle at the night
oh mon you were di in fi mi touch a road
So we fly we both then take flight
no other girl can drift inna your lane
everyting inna we make sure we did right
give you all of mi loving sincerely
just make sure we keep it in tight
(Stephen Marley)

girl love for you is so strong
I take without the shining sun
easily without your loving Babe
one look and we feel as one
cause that's how easy
we can use it
no heart is got the front guarantee
girl your love can depend on me
if love could sign a dotted line
you would surely see your feelings to mine

you would surely see your feelings to mine
