

Two of a Kind (2001 - Remaster)

Syd Barrett

Open your eyes and don't be blind
Can't you see we're two of a kind?
I've got to say this, I hope you don't mind
I love you, we're two of a kind Just ask yourself and you will find
We go together, we're two of a kind
No use protesting, be resigned
Baby you know, we're two of a kind I knew it when I saw you, I felt it a little more
When I talked with you at first, all my blues dispersed
I couldn't disguise my complete surprise when you
Were feeling it too, I'm in love with you, I'm in love with you Open your eyes and don't be blind
Can't you see we're two of a kind?
I've got to say this, I hope you don't mind
I love you, we're two of a kind
