Into the Wild

Metus

[Verse]You want me to be honest
Tell you all the words you want to hear
So I went and made a promise
And I quickly became your worst fear out here
[Chorus]
In the wild, to the wild
We'll self-destruct together
I'm part of you now
In the wild, to the wild
We'll self-destruct together
It's all over now

[Verse] Few fail to break the silence
Most prefer the calm before the storm
You choose cities over islands
I'm returning to the place where I was born at home

[Chorus]
In the wild, to the wild

We'll self-destruct together
I'm part of you now
In the wild, to the wild
We'll self-destruct together
It's all over now

[Bridge] Oooh, oooh
Don't wanna risk it
Taking it too ?
I existed for you
Don't wanna risk it
Taking it too ?
I existed for you

[Chorus]
In the wild, to the wild
We'll self-destruct together
I'm part of you now
In the wild, to the wild

We'll self-destruct together
It's all over now
