

in the devil's territory

Sufjan Stevens

Be still and know your sign
The beast will arrive in time
We stayed a long, long time
We stayed a long, long time To see you, to beat you
To see you at last I saw the dragons drying
I saw the witches whine
We stayed a long, long time
But I'm not afraid to die To see you, to meet you
To see you at last I stole my father's shoes
I pulled his pockets too
We stayed a long, long time
We stayed a long, long time To see you, to beat you
To see you, to meet you
To see you at last
