Sayonara (Goodbye)

Toy-Box

Sayonara baby
(I hope it's not the end
Until we meet again)After each night there is a day
We'll be back, though we go away
Smiling faces are everywhere
If you need us we'll be thereSo sing the sweetest song just to let you know
that it is hard to let you go
until we're back together you can be sure
that you'll be hearing moreSayonara baby
This could be the end
(I hope it's not the end)
But I'm not worried baby
Cause we will meet again
(Untill we meet again)Sayonara baby
This could be the end
(I hope its not the end)
But i'm not worried baby
Cause we will meet again
(Untill we meet again)When the music is playing loud
You'll be hearing us crying out
"Follow your dreams it's not too late
And just be yourself, don't hesitate"Sayonara baby
This could be the end
(I hope it's not the end)
But i'm not worried baby
Cause we will meet again
(Untill we meet agin)Sayonara baby
This could be the end
(I hope i't not the end)
But i'm not worried baby
Cause we will meet again
(Untill we meet again)Sayonara my friend(I hope it's not the end)
(Untill we meet again)*music fading*Sayonara my friendSo for now, until we see you again, Sayonara
