

# Statue of a Fool (Re-Recorded)

Jack Greene

Somewhere there should be for all the world to see  
A statue of a fool made of stone  
The image of a man who let love slip through his hands  
And then just let him stand there all alone  
And there on his face a gold tear should be placed  
To honor the million tears he's cried  
And the hurt in his eyes would show so everyone would know  
Concealed is a broken heart inside  
So build a statue and oh build it high  
So that all can see  
Then inscribe the world's greatest fool  
And name it after me
