Red Light

U2

I talk to you
You walk away
You're still on the down beat
You say you don't want my help
But you can't escape
If your running from yourselfI give you my love
I give you my love
Give you my love
Still you walk awayIt's your own late show
As you jump to the street below
But where can you go
To leave yourself behind
Alone in the spotlight
Of this, your own tragedyI give you my love, love, love
Love, love, love, love, love, loveIn the heart in the heart
In the heart of the city
Heart in the heart in
The heart of the city
Oh, love
I pour my love out for you
And I'll bring you through
See your not aloneI give you my love, give you my love
Give you my love, give you my love
Give you my love, give you my love
Give you my love, give you my love
Give you my love, love, love
Love, love, love, love, love
