

Girl In the War (Acoustic)

[Josh Ritter](#)

Peter said to Paul you know all those words we wrote
Are just the rules of the game and the rules are the first to go... But now talking to God is Laurel, begging Hardy
for a gun
I got a girl in the war man, I wonder what it is we done Paul said to Peter "you got to rock yourself a little harder"
Pretend the dove from above is a dragon, and your feet are on fire But I got a girl in the war Paul the only thing
I know to do
Is turn up the music and pray that she makes it through Because the keys to the Kingdom got locked inside the
King
And the angels fly around in there but we can't see them
I got a girl in the war Paul I know that they can here me yell
If they can't find a way to help her they can go to Hell
If they can't find a way to help her they can go to Hell Paul said to Peter "you got to rock yourself a little harder"
Pretend the dove from above is a dragon, and your feet are on fire But I got a girl in the war Paul her eyes are
like champagne
They sparkle bubble over and in the morning all you got is rain They sparkle bubble over and in the morning all
you got is rain They sparkle bubble over and in the morning all you got is rain
