What shall we do with a drunken sailor,  
What shall we do with a drunken sailor,  
What shall we do with a drunken sailor,  
Early in the morning!Hurray and up she rises  
Hurray and up she rises  
Hurray and up she rises  
Early in the morningPut him in the bed with the captain's daughter  
Put him in the bed with the captain's daughter  
Put him in the bed with the captain's daughter  
Early in the morningHurray and up she rises  
Hurray and up she rises  
Hurray and up she rises  
Early in the morning  
Have you ever seen the captain's daughter  
Have you ever seen the captain's daughter  
Have you ever seen the captain's daughter  
Early in the morningHurray and up she rises  
Hurray and up she rises  
Hurray and up she rises  
Early in the morningWake him shake him wet him all over
