

# White Flag

## White Flag

I know you think that I shouldn't still love you,  
I'll tell you that.

But if I didn't say it, well I'd still have felt it  
where's the sense in that?

I promise I'm not trying to make your life harder  
Or return to where we were

Well I will go down with this ship  
And I won't put my hands up and surrender  
There will be no white flag above my door  
I'm in love and always will be

I know I left too much mess and  
destruction to come back again  
And I caused nothin' but trouble  
I understand if you can't talk to me again  
And if you live by the rules of "it's over"  
then I'm sure that that makes sense

But I will go down with this ship  
And I won't put my hands up and surrender  
There will be no white flag above my door  
I'm in love and always will be

And when we meet  
Which I'm sure we will  
All that was then  
Will be there still  
I'll let it pass  
And hold my tongue  
And you will think  
That I've moved on....

I will go down with this ship  
And I won't put my hands up and surrender  
There will be no white flag above my door  
I'm in love and always will be

Well I will go down with this ship

And I won't put my hands up and surrender  
There will be no white flag above my door  
I'm in love and always will be

I will go down with this ship  
And I won't put my hands up and surrender  
There will be no white flag above my door  
I'm in love and always will be
