Take Me

Laura Branigan

I fancied you for a very long time
You finally got around to makin' your move
But when you picked me up, you looked so fairy
I wish we could dispense with the preliminariesOh, so much for subtlety
I can't wait for you to get your hands on meOh, take me, take me, please
Oh, take me, take meOh don't leave me at the door with a good night kiss
It's guys like you can give a girl a complex
I've never been so in love before
I'm not playin' hard to get, that's for sureOh, so much formality
I can't wait for you to put your hands on meOh, take me, take me, please
Oh, take me, why don't you take me?
Oh, take me, come on boy
Oh, take me, take meOh, don't let me scare you away
It's not like me to come on strong
But love like this just can't be wrong
So I'm gonna make it easyOh, take me, take me
Oh, take me, take me
Oh, oh, take me, take me
Oh, take me, come on take meIt's the holdin' back makes me want you more
I'm not playin' hard to getOh, why don't you take me, boy?
Oh, take me, come on, take me
Oh, take me, why don't you take me?
Oh, take me, take me
