Constant Motion

Dream Theater

Tunnel vision at blinding speed
Controlling my thoughts, obsessing me
Void of any uncertainty
Throughout my very soul
Lost illusions of my control
Resisting all hope of letting go
Racing impulse of dark desire
Drives me through the night
I tried to shut it down
It leaves me in the dust
No matter what I've found
I can never get enough
Frantic actions of insanity
Impulsive laced profanity
Long for elusive serenity
Way out of my control
Traveling through both space and time
Out of body, out of mind
Out of control
My wheels in constant motion
Spinning round and round it goes
I can't let up, I can't let go
Can't stop this flame from burning
Forever more into the night blistering
Focus here, focus there
Cannot see the light
Falling down through the night
Sprawling everywhere
Searching left, searching right
Panic setting in
I can no longer fight
When will this end?
Accelerate, dislocate
Set to crash and burn
Haven?t got time to waste
Not planning to return
Aggravate, agitate
When will I ever learn?
There's no way out of here

Nowhere to turn
Obsessive yearning
Compulsive burning
Still never learning
Insane random thoughts of neat disorder
Scattered wasteland surrounding me
Tattered memories of what used to be
Apocalyptic mind debris
Until we meet again
Traveling through both space and time
Out of body, out of mind
Out of control
My wheels in constant motion
Spinning round and round it goes
I can't let up, I can't let go
Can't stop this flame from burning
Forever more into the night blistering
Traveling through both space and time
Out of body, out of mind
Out of control
My wheels in constant motion
Spinning round and round it goes
I can't let up, I can't let go
Can't stop this flame from burning
Can't stop the wheels from turning
Traveling through both space and time
You get yours and I got mine
Out of control
My wheels in constant motion
Spinning round and round it goes
I can't let up, I can't let go
Can't stop this flame from burning
Forever more into the night blistering
