

# Unlove You

**Brandon Beal**

I felt in a perfect way  
I never had a choice to make  
Crest into your tidal wave  
I didn't even stroke on  
Sail right through your atmosphere  
Close my eyes and land it here  
I didn't see the trouble  
And I didn't care  
I can't unlove you  
Can't do that  
No matter how I tried  
I'll never turn my back on someone who loves me too  
I can do almost anything I have to  
But there's one thing I cannot change  
I almost kind of like the pain  
I wear your tattoo like a stain  
But it will take forever to fade away  
I can't unlove you  
Can't do that  
No matter how I tried  
I'll never turn my back on someone who loves me too  
I can do almost anything I have to  
But I can't unlove you  
Oh no, why would I want to  
I can't unlove you  
Can't do that  
I'll never get through that  
Why would I want to  
There's always time for other dreams  
Why must we erase these things  
I can't unlove you  
Can't do that  
No matter how I tried  
I'll never turn my back on someone who loves me too  
But I can't unlove you  
Can't feel that  
No matter how I tried  
I won't turn my back on someone who loves me too  
I can do almost anything I have to

But I can't unlove you
