

I'm Coming After You

Owl City

I saw your face in a criminal sketch
Don't be alarmed cuz you don't know me yet
I'm on the prowl now sniffing around this town, for you
Calling all cars there's an officer down
Shot to the heart on a night on the town
And the evidence of your fingerprints was found and now
You got the right to remain right here with me
I'm on your tail in a hot pursuit
Love is a high-speed chase racing down the street
WoooooooWooooWoooo
I'm coming after you
WoooooooWooooWoooo
I'm coming after you
WoooooooWooooWoooo
I'm coming after you
Oh, no here we go once again
We both know you'll never turn yourself in
So I'm drivin' 'til it's light out
Searchin' for your hide-out
(Drivin' 'til it's light out
Searchin' for your hide-out)
Pick up the pace as I chase you around
One of these days I'll end up trackin' you down
But, yeah, I got the feeling I'll be letting you loose when I do
Because you,
You got the right to remain right here with me
I'm on your tail in a hot pursuit
Love is a high-speed chase racing down the street
WoooooooWooooWoooo
I'm coming after you
WoooooooWooooWoooo
I'm coming after you
WoooooooWooooWoooo
I'm coming after you
You got the right to remain right here with me
I'm on your tail in a hot pursuit
Love is a high-speed chase racing down the street
WoooooooWooooWoooo
I'm coming after you

WoooooooWooooWoooo
I'm coming after you
WoooooooWooooWoooo
I'm coming after you
WoooooooWooooWoooo
I'm coming after you
WoooooooWooooWoooo
I'm coming after you
You got the right to remain right here with me
I'm on your tail in a hot pursuit
Love is a high-speed chase racing down the street
WoooooooWooooWoooo
I'm coming after you
WoooooooWooooWoooo
I'm coming after you
WoooooooWooooWoooo
I'm coming after you
WoooooooWooooWoooo
I'm coming after you
I'm coming after you
I'm coming' after you
I'm coming' after you
I'm coming' after you
