

# Miniature Brides

## Merrick

They dress like miniature brides  
They're just like miniature brides  
Only in their heaven are you so far away

Too young to be tired  
A day with all the disguise  
Only in their heaven are you so far away

Tons of money a  
Double meaning a  
Brand new daddy to  
Love you, he doesn't love you

Show up with watery eyes  
Too young to describe  
Only in their heaven are you so far away

They dress like miniature brides  
They're just like miniature brides  
Only in their heaven are you so far away

Tons of money a  
Double meaning a  
brand new daddy to  
love you, he doesn't love you

Tons of money a  
Double meaning a  
Brand new daddy to  
Love you, he doesn't love you  
To love you, he doesn't love you  
To love you, he doesn't love you  
To love you, he doesn't love you
