Asthma

P.O.D.

Breathe, suffocation within
Because of what your sayin'
To understand, is to begin again
Yet to begin, is to live againI tried living my life through your eyes
Smother me with your ways, to death, no breath
Your choking, what little faith I have left
In time I find the truth lies, inside, the truth lies, insideBreathe, suffocation within
Because of what your sayin'
To understand, is to begin again
Yet to begin, is to live againI would die to breathe again
I would die to breathe again
I would die to breathe again
I would die to breathe againBreathe, suffocation
I want to breathe, suffocation
I understandI would die to breathe again
I would die to breathe again
Breathe
