Asthma

P.O.D.

Breathe, suffocation within Because of what your sayin' To understand, is to begin again Yet to begin, is to live againI tried living my life through your eyes Smother me with your ways, to death, no breath Your choking, what little faith I have left In time I find the truth lies, inside, the truth lies, insideBreathe, suffocation within Because of what your sayin' To understand, is to begin again Yet to begin, is to live againI would die to breathe again I would die to breathe again I would die to breathe again I would die to breathe againBreathe, suffocation I want to breathe, suffocation I understandI would die to breathe again I would die to breathe again Breathe
