Maybe I Need (Some Good Lovin')

Chic Gamine

*Whistling*Maybe I need a distraction
Could ya offer me a bit of release
The bricks all along the halls of my building
Are stacking up just building walls up 'round meMaybe I need some good lovin'
Mmm mmm
Maybe I need some good lovin'
Mmm mmmAnd my searchlight been swinging in circles
Burning holes in, every window around
I stand attention at the words of my father
Ya gotta be a little lost to get foundIs there a mirror that can show me some patience
That I can look through to see the dreams I don't know
I'm caught in pieces and self-explorations
Reflect the light up so I can find my way homeMaybe I need some good lovin'
Mmm mmm
Maybe I need some good lovin'
Mmm mmm
Maybe I need some good lovin'
Mmm mmm
Maybe I need some good lovin'
Mmm mmm*Whistling*Maybe I need some good lovin'
Mmm mmm
Maybe I need some good lovin'
Eh ehh
Maybe I need some good lovin'
Ohhh ohhh
Maybe I need some good lovin'
Mmm mmm*Whistling*
