Unbroken

Nadine Coyle

Do I belong? Is this ok?
This emptyness surrounds me everyday
Is this what it costs to keep heartache at bay?
Have I been fooling myself into thinking I don't wanna stayAnd am I afraid
That loving you will ruin what I've done for me
And what if I stayed...
Could you promise me that I won't ever have to leaveCause I'm giving it all to you
And I'm shamelessly loving you
You're free to make me believe your mine
But please, please be kind
I just want to be unbroken, yeah, oohPaper packages tied up with string
These are a few of my favourite things
I'll walk home tonight, get me some air
Forget the problems that make life so unfairI am afraid
That loving me will ruin what you've done for you
And what if you stayed...
Could you promise me that you won't have to leaveCause I'm giving it all to you
And I'm shamelessly loving you
You're free to make me believe your mine
But please, please be kind
I just want to be unbroken, yeah, oohDon't make me walk away, cause I am here to stay
Been broken all this time, and you show me the sign
Our heaven can come today, so baby let's walk away(Dank an Maria fr den Text)
