

# Poisoned

## Omen

[Chorus]

Poisoned, Poisoned, taken left behind  
    Salvation is screaming,  
    Scheming, always dreaming  
You're Poisoned, under you're taken, left behind  
    Salvation is screaming,  
    Scheming, always dreamingWatch for the liar  
        He'll steal your soul  
        They'll take all that you've got  
        Now you're left with nothing[Chorus]  
Poisoned, Poisoned, you're taken left behind  
    Salvation is screaming,  
    Scheming, always dreaming  
You're Poisoned, under you're taken, left behind

    Scheming, always dreamingCall them up, up on the phone  
        Give them all that you've got  
        Savings and your checking account  
        Now you're left with nothing[Chorus]  
Poisoned, Poisoned, you're taken left behind
