Somewhere In The World

Altiyan Childs

Somewhere in the world tonight
There's no fighting
Somewhere in the world tonight
Someone's falling in love for the first time
I believe there is a place
Where fear is finally waving goodbye
Somewhere in the world tonight
Everything's alrightSomewhere in the world tonight
There's no crying
Somewhere in the world tonight
Someone's holding their first child
I believe there is a place
Where the truth can wash out all of our lies
Somewhere in the world tonight
Everything's alrightSo take me there
Can you take me thereSomewhere in the world tonight
There's no indifference
Somewhere in the world tonight
Everyone has a voice (sweetest voice)
I believe there is a place
Where rich & poor can walk side by side
Somewhere in the world tonight
Everything's alrightSo take me there
Take me there, take me there
Take me thereSomewhere in the world tonight
There's no hiding
Somewhere in the world tonight
Someone's leading the wayTake me there
Take me there, take me there
Take me thereTake me there
Take me there, take me there
Take me thereSomewhere in the world tonight
Everything's alright
