Until Death Do Us Part

Alkaline Trio

Goodbye for now
Leaving town
For a while
Broken heart
Broken bones
Fading smile
Did I lose everything that I loved?
I suppose that I did when push came to shove
Now I want you back and waiting there for me
I won?t hold my breath, I don?t expect a thing
But a boy can dream
(Chorus):
Tell me everything will be okay
Tell me that you?re still in love with me
Tell me how to get back into your heart
And now I shall remain
Till death do us part

Goodbye for now
Leaving town
For a while
Broken heart
Broken bones
Fading smile
Now I want you back and waiting there for me
I won?t hold my breath, I don?t expect a thing
I won?t hold my breath, I don?t expect a thing
But a boy can dream

(Chorus):
Tell me everything will be okay
Tell me that you?re still in love with me
Please tell me how to get back into your heart
For now I shall remain
Till death do us part
