# Perfect Two

## Auburn

[Verse 1:]You can be the peanut butter to my jelly
You can be the butterflies I feel in my belly
You can be the captain and I can be your first mate
You can be the chills that I feel on our first date
You can be the hero and I can be your side kick
You can be the tear that I'll
cry if we ever split
You can be the rain from the cloud when it's stormin'
Or you can be the sun when it shines in the mornin'
[B-Sec:]Don't know if I could ever be
Without you cause boy you complete me
And in time I know that we'll both see
That we're all we need
Cause you're the apple to my pie
You're the straw to my berry
You're the smoke to my high
And you're the one I wanna marry
[Hook:]Cause your the one for me (for me)
And I'm the one for you (for you)
You take the both of us (of us)
And we're the perfect two
We're the perfect two
We're the perfect two
Baby me and you
We're the perfect two
[Verse 2:]You can be the prince and I can be your princess
You can be the sweet tooth I can be the dentist
You can be the shoes and I can be the laces
You can be the heart that I spill on the pages
You can be the vodka and I can be the chaser
You can be the pencil and I can be the paper
You can be as cold as the winter weather
But I don't care as long as we're together
[B-Sec:]
Don't know if I could ever be
Without you cause boy you complete me
And in time I know that we'll both see
That we're all we need
Cause you're the apple to my pie

You're the straw to my berry
You're the smoke to my high
And you're the one I wanna marry
[Hook:]Cause your the one for me (for me)
And I'm the one for you (for you)
You take the both of us (of us)
And we're the perfect two
We're the perfect two
We're the perfect two
Baby me and you
We're the perfect two
[Bridge:]You know that I'll never doubt ya
And you know that I think about ya
And you know I can't live without ya
I love the way that you smile
And maybe in just a while
I can see me walk down the aisle
[B-Sec 1/2:]Cause you're the apple to my pie
You're the straw to my berry
You're the smoke to my high
And you're the one I wanna marry
[Hook:]Cause your the one for me (for me)
And I'm the one for you (for you)
You take the both of us (of us)
And we're the perfect two
We're the perfect two
We're the perfect two
Baby me and you
We're the perfect two
