Keep A Secret

Head East

If wishes came true
I wish you knew
The way I'm thinkin' of you
I see you now and again
You call me your friend
But I love you
It seems unfair
That we can't share
The things I feel tonightAhh I wish that we had a secret (secret)
Just between me and you (aah)
Hope that you can keep a secret (have to)
Anything I have to do, to make a secret happen with you
[Whispered] Wish that we could keep a secret (aah)
Want to keep a secret with youI wish I knew the right way
To show how I feel about you
You don't want to say no
But still everytime you say that you got to
Give me the chance to make you see
I want you for me
