Fire

Scooter

Switch off the lights, and close your eyes
Feel the energy inside
Chillibow, chillibow, chillibow
Fire, fireAlright, sharp in the mix, get the pressure
You've had the time to rest
Which is coming to an end and we start againBack to the family, a guaranteed emergency
The radical MC HP's got the melody
Back to the family, a guaranteed emergency
The radical MC HP's got the melodyBack to the family, a guaranteed emergency
The radical MC HP's got the melody
Back to the family, a guaranteed emergency
The radical MC HP's got the melodyOne, two, three fire
Hey, hey, heySharp in the mix do all kind of tricks
Up to the pressure, feeling the kicks
You love the sound, we need you to go
Up and down, chillibow, chillibowBack to the family, a guaranteed emergency
The radical MC HP's got the melody
Back to the family, a guaranteed emergency
The radical MC HP's got the melodyBack to the family, a guaranteed emergency
The radical MC HP's got the melody
Back to the family, a guaranteed emergency
The radical MC HP's got the melodyOne, two, three fire
Hey, hey, heyBack to the family, a guaranteed emergency
The radical MC HP's got the melody
Back to the family, a guaranteed emergency
The radical MC HP's got the melodyBack to the family, a guaranteed emergency
The radical MC HP's got the melody
