Endless

Shapeshifter

Toss and turn it up till dawn, still can't rest my head can't rest my head
Patiently i wait for sleep, but all night c
Turn this night right upside down my world is at an end i made a mess.
If you took care right then all day you will get to see just what it is.
Just what it isCos i'm here
Here and now
All i feel
Said i'm drifting, free to rollAs the light becaves and the night ingraves.
