Today ah feelin nice
Today ah feelin nice
Eh, ah say today ah feelin, nice, nice.

Say,
Fadda yuh bless meh
Nothin cyah stress meh
I was born in so much love
Thank you mommy
Ah stay so humble and givin
People doh know how ah livin
But I ain't got no worries cause
Everyting done made already
I handle everybody
Now is time to reward meh
Today ah go make ah difference
Everyting done made already
I handle my family
Eh, and now is my turn
So ah goin on de road and...

Spoil meh self, spoil meh self
Take ah moment by meh self
I need tuh pamper meh
Because in dis life, ah work so hard
For it, hard for it
And I make so much sacrifice
[So much sacrifice]
That's why today ah feelin nice
Today ah feelin nice, today ah feelin nice
Ah say today ah feelin nice
Take ah little jump cause feelin nice
Take ah drink cause ah feelin nice
Take a little whine cause ah feelin nice
Today ah feelin nice, nice, nice.

Fadda yuh bless meh
How no life might depress meh
I was raised with so much Faith

Thank yuh mommy
Some people de rape meh
Some ah dem hate meh
But I doh ever worry, cause
Everyting done made already
I handle everybody
Now is time to reward meh
Today ah go make ah difference
Everyting done made already
I handle my family
Eh, and now is my turn
So ah goin on de road and...

Spoil meh self, spoil meh self
Take ah moment by meh self
I need tuh pamper meh
Because in dis life, ah work so hard
For it, hard for it
And I make so much sacrifice
[So much sacrifice]
That's why today ah feelin nice
Today ah feelin nice, today ah feelin nice
Ah say today ah feelin nice
Take ah little jump cause feelin nice
Take ah drink cause ah feelin nice
Take a little whine cause ah feelin nice
Today ah feelin nice, nice.

Take ah moment by meh self
I need tuh pamper meh
Because in dis life, ah work so hard
For it, hard for it

That's why today ah feelin nice
Today ah feelin nice, today ah feelin nice
Ah say today ah feelin nice
Take ah little jump cause feelin nice
Take ah drink cause ah feelin nice
Take a little whine cause ah feelin nice
Today ah feelin nice, nice, nice.
