

Bright Side

Nada Surf

I'm watching the days go by oh oh
yea I'm watching em fall like flies
yea counting the days go go
and it's making me wonder why
alright oh yea
oh oh ohhh
all right alright oh yea
oh oh ohhh Yea, I'm watching the students drop like flies
from the library
yea I'm watching them take their only lives
begging to be free
all right oh yea
oh oh ohhh
all right all right all right oh yea
oh oh ohhh
I Sleep walking through my days and nights
everywhere I go
I'm fighting a series of losing fights
and everybody knows
all right oh yea
oh oh ohhh
all right all right oh yea
oh oh ohhh Yea I'm watching the days go by oh ohhh
yea I'm watching them drop like flies
yea I'm counting them go go go go go
and it's making me wanna cry
all right oh yea
oh oh ohhh
all right all right all right oh yea
oh oh ohhh
And I'm trying to see the bright side
ohhh
yea I'm trying to see the bright side
ohhh
yea I'm dying to see the bright side
ohhh
yea I'm dying to see the bright side
