

Jacob's Song

Bri (Briana Babineaux)

Verse:

No where to go, at the end of the road.

But I know you can save me.

Made some mistakes and I am to blame.

But I know you can change me. So here I am, crying out Lord.

Please save me this time.

I know you can so here I am, Lord. Chorus:

I won't let go till you

bless my soul till you

change my name

I'm no longer the same. No I won't let go till you

bless my soul till you

change my name

I'm no longer the same.

I'm no longer the same.

I'm no longer the same. Verse:

No where to go, at the end of the road.

But I know you can save me.

Made some mistakes and I am to blame.

But I know you can change me. So here I am, crying out Lord.

Please save me this time.

I know you can so here I am, Lord. Chorus:

I won't let go till you

bless my soul till you

change my name

I'm no longer the same. Need you to change me, fill me with your power, Lord.

No I won't let go

till you change me and fill me, Lord

I need you to change me, fill me with your power, Lord.

I won't let go
