

# Lady Rain

Hall & Oates

Can you see my past  
Can you find my future  
Should I take it slower 'til my life is over  
Oh Lady Rain is it I'll be going down in pain? Lady Rain, lay your sobbin' hair down on my shoulder  
Lady Rain, do your cloudy eyes see me much older? All the days I've lost hoping and pretending  
That my days would flow smooth and slow toward their ending  
Oh Lady Rain is it I'll be going down in pain?
