A Jesus Man

Carroll Roberson

Iâ€™m a Jesus man, thatâ€™s what they call me yeah a Jesus man,
Because I am not ashamed to lift up His name,
Iâ€™m a Jesus man, thatâ€™s what they call me yeah a Jesus man,
But thatâ€™s what I want to be and Iâ€™m glad when they call me a Jesus man.

Sometimes they criticize and try to talk me down
that donâ€™t bother me anymore,
If they only knew what the Lord could do
they would be praising the Lord.

Iâ€™m a Jesus man, thatâ€™s what they call me yeah a Jesus man,
Because I am not ashamed to lift up His name,
Iâ€™m a Jesus man, thatâ€™s what they call me yeah a Jesus man,
But thatâ€™s what I want to be and Iâ€™m glad when they call me a Jesus man.

I keep the Bible in my hand a song in my heart
and I stay ready all the time
Cause I never know when I might get the chance to tell someone about Jesus Christ.

Iâ€™m a Jesus man, thatâ€™s what they call me yeah a Jesus man,
Bâ€™cause I am not ashamed to lift up His name,
Iâ€™m a Jesus man, thatâ€™s what they call me yeah a Jesus man,
Thatâ€™s what I want to be and Iâ€™m glad when they call me a Jesus man.

Jesus man, Iâ€™m a Jesus man
