

# Blues Deluxe (Live From The Royal Albert Hall)

## Joe Bonamassa

Sparkle as the tears come  
They glitter as they fall  
You sacrifice your love  
For the wonder of it all  
But I will, and you won't  
And I deal, and you don't, yeah[Chorus]  
Livin' on pain and sorrow  
Until you find another way  
Livin' on pain and sorrow  
Until I find another wayWhere's your silver lining?  
Where's your long lost friend?The emptiness is shining  
From somewhere deep within  
But I will, and you won't  
And I deal, and you don't yeah[Chorus x2]No I... go on  
It's your life baby  
'Til you find another way  
Go on... oh yeahPain and sorrow  
Pain and sorrow  
Pain and sorrow  
Find another way
