It's All About You

Smokie Norful

Here we go, oh yeah
Its all about You, yeah, yeahSo many days in so many ways
I took for granted, all You had planted
In my life for me to enjoy
Since I was a little bitty boyNow my eyes are open so I can see
All Youve done for me
Youve made my life complete
Oh, what joy to me You bring
So forever I lift my voice and singIts all about You
Im so glad that I have found
The One who turned my life around
Made my world a better place to liveIts all about You
Im so glad You came this way
Made my darkness turn to day
Now its for You I believeWhenever I think how good Youve been
In spite of my sins, for all the wrong Ive done
I cant help but cry and ask, "Lord, why?"
Show me love unconditionally, in spite ofNow Im taking this stand
Holding up my right hand
And for all of my days
Ill give Your name the praiseOh, what joy to me You bring
And forever Ill lift my voice and singIts all about You
Im so glad that I have found
The One who turned my life around
Made my world a better place to liveIts all about You
Im so glad You came this way
Made my darkness turn to day
Now its for You I believeIts all about You
Im so glad that I have found
The One who turned my life around
Made my world a better place to liveIts all about You
Im so glad You came this way
Made my darkness turn to day
Now its for You I believeI live for You
I breathe for You
And my being for You
All I do is for YouI sing for You
Clap my hands for You
Do my dance for You

All I do is for YouIn my home for You
On my job for You
In the mall for You
All I do is for YouI sing for You, for You
Do my dance for You
Lift my hands for You
All I do is for YouEven in my darkest hour
You are there to give me power
Im so glad I found me some YouEven in my darkest hour
You are there to give me power
Im so glad I found me some YouEven in my darkest hour
You are there to give me power
Im so glad I found me some YouEven in my darkest hour
You are there to give me power
Im so glad I found me some YouIts all about You
Im so glad that I have found
The One who turned my life around
Made my world a better place to liveIts all about You
Im so glad You came this way
Made my darkness turn to day
Now its for You I believeIts all about You
Im so glad that I have found
The One who turned my life around
Made my world a better place to liveIts all about You
Im so glad You came this way
Made my darkness turn to day
Now its for You I believeIt's all about You
