

# Beloved (Tim Schuldt feat D-Fundation Remix)

## VNV Nation

It's colder than before  
The seasons took all they had come for  
Now winter dances here  
It seems so fitting don't you think?  
To dress the ground in white and greyIt's so quiet I can hear  
My thoughts touching every second  
That I spent waiting for you  
Circumstances affords me  
No second chance to tell you  
How much I've missed youMy beloved do you know  
When the warm wind comes again  
Another year will start to pass  
And please don't ask me why I'm here  
Something deeper brought me  
Than a need to rememberWe were once young and blessed with wings  
No heights could keep us from their reach  
No sacred place we did not soar  
Still, greater things burned within us  
I don't regret the choices that I've made  
I know you feel the sameMy beloved do you know  
How many times I stared at clouds  
Thinking that I saw you there  
These are feelings that do not pass so easily  
I can't forget what we claimed as oursMoments lost though time remains  
I am so proud of what we were  
No pain remains, no feeling  
Eternity awaits  
Grant me wings that I might fly  
My restless soul is longing  
No pain remains, no feeling  
Eternity awaitsMy beloved do you know  
When the warm wind comes again  
Another year will start to pass  
And please don't ask me why I'm here  
Something deeper brought me  
Than a need to rememberMy beloved do you know  
How many times I stared at clouds  
Thinking that I saw you there  
These are feelings that do not pass so easily

I can't forget what we claimed as ours  
Moments lost though time remains  
I am so proud of what we were  
No pain remains, no feeling  
Eternity awaits  
Grant me wings that I might fly  
My restless soul is longing  
No pain remains, no feeling  
Eternity awaits  
Moments lost though time remains  
I am so proud of what we were  
No pain remains, no feeling  
Eternity awaits  
Grant me wings that I might fly  
My restless soul is longing  
No pain remains, no feeling  
Eternity awaits  
Moments lost though time remains  
I am so proud of what we were  
No pain remains, no feeling  
Eternity awaits  
Grant me wings that I might fly  
My restless soul is longing  
No pain remains, no feeling  
Eternity awaits
