

Forever Heavy

Black Moth Super Rainbow

Am heavy,
forever,
In the sun,
forever,
Should we know,
forever,
In the field,
La-da da duh-daChewing On Bubblegum,
Living in the field,
Chewing On Bubblegum,
Living in the field,
Chewing On Bubblegum,
Living in the field,
Chewing On Bubblegum,
Living in the field,Sitting in a field,
You were sitting the whole time,
Laying in the sun,
You were doing all kins,
You were chewing all the gum,
You were doing all kinds of-
Laying in the field.
Oh-oh-oh...Am heavy,
forever,
In the sun,
forever,
Should we know,
forever,
In the field,
La-da da duh-daChewing On Bubblegum
Living in the field,
Chewing On Bubblegum
Living in the field,
Chewing On Bubblegum
Living in the field,
Chewing On Bubblegum
Living in the field,Sitting in a field,
You were sitting the whole time,
Laying in the sun,
You were doing all kins,

You were chewing all the gum,
You were doing all kinds of-
Laying in the field.
Oh-oh-oh...
