

Turn Back Time - Original Version

Aqua

Give me time to reason,
Give me time to think it through
Passing through the season,
Where I cheated you

I will always have a cross to wear,
But the bolt reminds me I was there
So give me strength,
To face this test tonight

If only I could turn back time,
If only I had said what I still hide
If only I could turn back time,
I would stay for the night, for the night

Claim your right to science,
Claim your right to see the truth
Though my pangs of conscience,
Will drill a hole in you

I've seen it coming like a thief in the night,
I've seen it coming from the flesh of your light
So give me strength,
To face this test tonight

If only I could turn back time,
If only I had said what I still hide
If only I could turn back time,
I would stay.

The bolt reminds me I was there
The bolt reminds me I was there
