## Pentagram

Won't you believe in the darkness I'm mournin  
Blaze in the night is the sign of the warnin  
You don't remember the pride you believed in  
Now you're to reap the reward for deceivin Won't you leave me alone in silence  
I've been greevin for all this violence  
Rain is my sorrow, wind is my sadness  
Can't you see me with all your blindness Anatolia, Anatolia  
We were only receivin but we always believin  
Anatolia, Anatolia  
May be we'll change and always will save  
And promise to never leave Can you believe in the grief of a mourner  
Blood in my veins feeds the seeds of a slaughter Won't you leave me alone in silence  
I've been greevin for all this violence  
Rain is my sorrow, wind is my sadness  
Can't you see me with all your blindness Anatolia, Anatolia  
We were only receivin but we always believin  
Anatolia, Anatolia  
May be we'll change and always will save  
And promise to never leave
