

# Good Time (feat. Lil Wayne)

## Paris Hilton

Advisory - the following lyrics contain explicit language:

Are you having a good time  
'Cause I'm having a good time  
And I might be a bit tipsy  
But that's okay cause you're with me  
Are you having a good time  
'Cause I'm having a good time  
And I might be a bit tipsy  
But that's okay cause you're with me I came here just to party  
All this don't you hate on me, yeah  
Got my sexy girls with me  
Oh, I love it Wo-oh, let's party  
Yeah, let's party, and have a good time  
Wo-oh, let's party  
Yeah, let's party, and have a good time There go the paparazzi  
I don't really give a fuck, move out of my way  
'Cause I came to party rock  
Good times are here, and you know they're here to stay  
If you're not here to party, move and get out of the way Wo-oh, let's party  
Yeah, let's party, and have a good time  
Wo-oh, let's party  
Yeah, let's party, and have a good time Are you having a good time  
'Cause I'm having a good time  
And I might be a bit tipsy  
But that's okay cause you're with me I'm fucked up, I can't tell you what's what  
All she know is suck fuck  
I walked up to a big butt, and ask her ass 'butt what'  
Tunechi never slacks without a button up, I rolled the dice and lucked up  
I'm all in, I'm all in  
More money more problems  
More money will solve them  
It's YMCMB bitch  
Paris, do you speak french? I get special treatment

Girl turn over, good defense! We turned down for what  
Tomorrow isn't promised  
Tonight is all we got  
And times like these are timeless  
She fucked me like she love me  
Love is such a science, do you think it's love? Thanks for not replying  
It's Paris Hilton bitch! Lick it, lock it, it's the last day to party  
Don't just, don't stop moving  
'Cause we're having a good time, having a good time Are you having a good time  
'Cause I'm having a good time  
And I might be a bit tipsy  
But that's okay cause you're with me
