

# If Stuart Could Talk (See Me Feel Me)

## Dickies

I got a little friend, he's with me to the end  
What does he say?  
I ask him for opinions and political decisions  
Each and everyday  
I know that it's a dream dirty and obscene anyway  
If Stuart could talk, what would he say?  
If Stuart could talk, what would he say?  
What would he say if Stuey could talk to me?  
Whenever I'm alone, I'm really not alone  
He's always there  
When I am going to falter and I'm standing at the alter  
And there's not a prayer  
I know it's up to him if I ever sin anyway  
What would he say, what would he say?  
"Yes, my name is Stuart and I assure you I can speak"  
And lately I find myself astounded  
At the sort of company you keep  
Something further I must mention  
Of this fact I cannot understand  
"Is your insatiable attention at annoying me with your hand?  
And in closing, may I offer this point must be succinct?  
My purpose is for procreation and not facilitating in your sin"
