

Who Would Imagine a King

Whitney Houston

Mommies and daddies always believe
That their little angels are special indeed
And you could grow up to be anything
But who would imagine a king
A shepherd or teacher is what you could be
Or maybe a fisherman out on the sea
Or maybe a carpenter building things
But who would imagine a king
It was so clear when the wise men arrived
And the angels were singing your name
That the world would be different 'cause you were alive
That's what heaven stood still to proclaim
One day an angel said quietly
That soon he would bring something special to me
And of all those wonderful gifts he could bring
Who would imagine, who could imagine
Who would imagine a king
Mmm
Mommy
